FLORAL TRIBUTES

FLOWER **BROCHURE**

Flowers are the perfect way to express your feelings and pay respect when words simply aren't enough. But, at a time of loss, it can be difficult to know which flowers and styles to choose.

This guide shows you a selection of what is available in the sympathy collection and will help you choose the most appropriate and personal floral arrangement.

You can be assured that from the moment you place your order, it will be designed and handled with care by our expert florists before being hand delivered on the day.

Please do not hesitate to come in to us, so that we can discuss the complete collection and create the perfect tribute for your loved one.

We will endeavour to ensure that our floral tributes match with the pictures contained within this brochure, however seasonal adjustments may have to be made depending on availability of the flower stocks, which vary during the seasons of the year.
